

# CRUISE COMPASS

*Serenade of the Seas*<sup>®</sup>

**DAY 9**

Monday, November 7, 2016  
Willemstad, Curacao

## **COLORFUL WILLEMSTAD IS A BRIGHT SHINING STAR IN THE CARIBBEAN SEA.**

Between the natural beauty of the island and the colonial treasures of its historic capital, Curaçao is perhaps one of the richest Caribbean destinations. Even the first Dutch settlers realized early on they had hit the jackpot. The saltwater ponds became a major source of income as the world got hooked on salt. Meanwhile, merchant ports from every nation came to find shelter in the natural deep-water harbor of bustling Willemstad. And while fortunes were being made off of the salt and slave trade, the real wealth came later, with the discovery of oil in 1920. That's when people from all over the world flooded the island, the largest of the Netherlands Antilles.

Nowadays, Willemstad is known for its oil refinery, cultural diversity, and gorgeous Dutch colonial architecture. A stroll through this World Heritage Site is an absolute must. Another memorable experience is the famous "floating market". Outside of town, the old plantation estates are just as colorful. And adventure is never too far away on an island with as many dive sites, caves and beaches as this one.
