## NOTICES

**Helpful Health Information** - Medical experts tell us that the best way to prevent colds, flu, or gastrointestinal illnesses - such as a Norovirus that can be transferred easily through person-to-person contact - is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. Symptoms of Noroviruses include an upset stomach, vomiting and diarrhea. According to the U.S. Centers for Disease Control and Prevention, Noroviruses affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. Should you experience any gastrointestinal illness, please visit the ship's medical facility for a consultation and treatment if necessary.

**Discharge Of All Garbage Into The Sea Is Prohibited Except As Provided Otherwise** - The MARPOL Convention and domestic law generally prohibit the discharge of most forms of garbage from ships into the sea. Violation of these requirements may result in penalties. All garbage is to be retained onboard and placed in the bins provided.

**Smoking Policy** - All indoor public spaces are smoke free with the exception of the Casino where there are designated smoking and non-smoking areas. Smoking is not permitted in staterooms or on stateroom balconies. Outdoor smoking areas are designated on the starboard side. Please also note that products such as electronic cigarettes or e-cigarettes are only permitted within designated smoking areas.

**Using the Pools & Whirlpools** - For your health and well being, we ask that you shower before using the pools and whirlpools. This is recommended by the health authorities as an extra precaution to protect yourself and others. Thank you for your cooperation. Due to public health regulations, children in **diapers**, swim **diapers**, pull-ups or who are not COMPLETELY toilet trained are not allowed in the pools, whirlpools.
