**NOTICES**

**Helpful Health Information** - Medical experts tell us that the best way to prevent colds, flu or gastrointestinal illnesses - such as a Norovirus that can be transferred easily through person-to-person contact - is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. Symptoms of Norovirus include an upset stomach, vomiting and diarrhea. According to the United States Centers for Disease Control and Prevention, Noroviruses affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. If you have (or have had in the past 48 hours) any of these symptoms, please do not go to the ship's Medical Facility. Instead, go directly to your stateroom and call Guest Services by dialing "0". The nurse on duty will then return your call for a complimentary telephone consultation or stateroom visit. Treatment may be provided on a complimentary basis, if necessary.

**CDC Travel Alert: Level II - Practice Enhanced Precautions - Pregnant Women** - In an abundance of caution, CDC recommends special precautions for pregnant women and women trying to become pregnant: Pregnant women in any trimester should consider postponing travel to the areas where Zika virus transmission is ongoing as of Feb. 2nd, 2016: Barbados, Bolivia, Brazil, Colombia, Costa Rica, Curacao, Dominican Republic, Ecuador, El Salvador, French Guiana, Guadeloupe, Guatemala, Guyana, Haiti, Honduras, Martinique, Mexico, Nicaragua, Panama, Paraguay, Puerto Rico, Saint Martin, Suriname, U.S. Virgin Islands, Venezuela, American Samoa, Samoa, Cape Verde. Pregnant women who must travel to one of these areas should talk to their doctor or other healthcare provider first and strictly follow steps to avoid mosquito bites during the trip. Women trying to become pregnant who are thinking about becoming pregnant should consult with their healthcare provider before traveling to these areas and strictly follow steps to prevent mosquito bites during the trip. Mosquito repellent is available in the ship's gift shop or medical facility.

**Smoking Policy** - All indoor public spaces are smoke free with the exception of the Casino where there are designated smoking and non-smoking areas. Smoking is not permitted in staterooms or on stateroom balconies. Outdoor smoking areas are designated on the starboard side. Please also note that products such as electronic cigarettes or e-cigarettes are only permitted within designated smoking areas.

**Security Team Body Cameras** - For the safety and well-being of all persons onboard, some members of our Security Team will be wearing Body Cameras as part of their uniform.

**BOOK YOUR NEXT CRUISE AND WIN EVERYWHERE!** - Starting today when you book your next cruise vacation onboard you receive a coupon voucher with discounts all over the ship. Enjoy good deals at the Spa, Royal Shops, Casino, Speciality restaurants and many more. Visit us today and find out more. NextCruise Sales Team, Deck 5 Centrum.

# CRUISE COMPASS

*Serenade of the Seas*

**DAY 7** Thursday, October 26, 2017  
Castries, St. Lucia

## HOME TO THE PITON PEAKS, ST. LUCIA'S BEAUTY IS MESMERIZING.

In 1605, the first English settlers arrived on St. Lucia's shores, only to be driven away by the native Caribs. The French tried their luck a few decades later and for the next 150 years, St. Lucia went back and forth between the French and the British. England got final dibs on the island in 1814 and even after St. Lucia gained its independence, the Caribbean island remained a part of the British Commonwealth. Yet the French influence is apparent in the culture, the local patois, and the names of historic towns like Castries and Soufrière.

The twin peaks of the Pitons tower over the island's lush mountains and rain forests. So lush in fact that the island looks like it should be floating somewhere in the South Pacific. But its lively festivals, calypso music and flavorful creole cuisine are unmistakably Caribbean. While in St. Lucia, hike up to the Pitons, see the stunning coastline from the deck of a catamaran, or shop for unique souvenirs in Castries.
