

# CRUISE COMPASS

*Serenade of the Seas*®

**DAY 6** Wednesday, October 25, 2017  
St. John's, Antigua

## VISIT THE ISLAND OF ANTIGUA AND ITS COLONIAL TOWN OF ST. JOHN'S

Columbus spotted Antigua, named it... and then ignored it. In fact, the native Caribs were so determined to keep the colonists at bay, that it took well over a hundred years for any kind of settlement to take shape. When the first group of English settlers finally arrived in 1632, the plan was to grow tobacco. One day, a man named Sir Christopher Codrington decided that sugar might be a better way to go. So successful were his efforts that sugar mills started popping up all over the island, and Antigua became a thriving sugar-making machine. A century later in 1784, yet another man changed the island's destiny. Admiral Horatio Nelson's mission was to establish the British naval base in the Caribbean. Nelson's Dockyard became home to the illustrious British fleet, and is now one of the biggest attractions in the Caribbean.

From the start, St. John's was at the heart of all the action. Nowadays it's the capital of this British Commonwealth, and a popular tourist destination. Enjoy its beautiful beaches, colonial charm, amazing landscape and leisurely lifestyle.
