

# CRUISE COMPASS

*Serenade of the Seas*

**DAY 9**

Saturday, October 28, 2017  
Willemstad, Curaçao

## COLORFUL WILLEMSTAD IS A BRIGHT SHINING STAR IN THE CARIBBEAN SEA.

Between the natural beauty of the island and the colonial treasures of its historic capital, Curaçao is perhaps one of the richest Caribbean destinations. Even the first Dutch settlers realized early on they had hit the jackpot. The saltwater ponds became a major source of income as the world got hooked on salt. Meanwhile, merchant ports from every nation came to find shelter in the natural deep-water harbor of bustling Willemstad. And while fortunes were being made off of the salt and slave trade, the real wealth came later, with the discovery of oil in 1920. That's when people from all over the world flooded the island, the largest of the Netherlands Antilles.

Nowadays, Willemstad is known for its oil refinery, cultural diversity, and gorgeous Dutch colonial architecture. A stroll through this World Heritage Site is an absolute must. Another memorable experience is the famous "floating market". Outside of town, the old plantation estates are just as colorful. And adventure is never too far away on an island with as many dive sites, caves and beaches as this one.

### NOTICES

**Helpful Health Information** - Medical experts tell us that the best way to prevent colds, flu or gastrointestinal illnesses - such as a Norovirus that can be transferred easily through person-to-person contact - is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. Symptoms of Noroviruses include an upset stomach, vomiting and diarrhea. According to the United States Centers for Disease Control and Prevention, Noroviruses affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. If you have (or have had in the past 48 hours) any of these symptoms, please do not go to the ship's Medical Facility. Instead, go directly to your stateroom and call Guest Services by dialing "0". The nurse on duty will then return your call for a complimentary telephone consultation or stateroom visit. Treatment may be provided on a complimentary basis, if necessary.

**CDC Travel Alert: Level II - Practice Enhanced Precautions - Pregnant Women** - In an abundance of caution, CDC recommends special precautions for pregnant women and women trying to become pregnant: Pregnant women in any trimester should consider postponing travel to the areas where Zika virus transmission is ongoing as of Feb. 2<sup>nd</sup>, 2016: Barbados, Bolivia, Brazil, Colombia, Costa Rica, Curacao, Dominican Republic, Ecuador, El Salvador, French Guiana, Guadeloupe, Guatemala, Guyana, Haiti, Honduras, Martinique, Mexico, Nicaragua, Panama, Paraguay, Puerto Rico, Saint Martin, Suriname, U.S. Virgin Islands, Venezuela, American Samoa, Samoa, Cape Verde. Pregnant women who must travel to one of these areas should talk to their doctor or other healthcare provider first and strictly follow steps to avoid mosquito bites during the trip. Women trying to become pregnant who are thinking about becoming pregnant should consult with their healthcare provider before traveling to these areas and strictly follow steps to prevent mosquito bites during the trip. Mosquito repellent is available in the ship's gift shop or medical facility.

**Security Team Body Cameras** - For the safety and well-being of all persons onboard, some members of our Security Team will be wearing Body Cameras as part of their uniform.
